Double speed wax
enhanced carnauba paste wax

Application Information

Quick Guide:

Guaranteed to last longer than any other wax in side by side tests when applied to cleanser-fluid prepped paint.

Detergent proof

Easy to use.

Optically perfect clear deep wet-look shine

Contains no adulterating colours or perfumes.

Non-grainy paste wax.

How To Use

Thoroughly wash vehicle with hot soapy water using only salt-free automotive shampoos.

Do not use wash and wax products.

Dry vehicle using chamois leather or synthetic equivalent.

Double Speed-Wax is not an abrasive polish, if your paintwork is faded, feels rough or has not been polished for a long period it will be necessary to use an abrasive polish and/or paint clay before application.

Once prepared in this way regular application of Double Speed-Wax will maintain a high gloss finish without the need for further use of abrasive polishes.

Work on shaded cool panels.

Dampen the sponge applicator provided and wring out as much as possible before use.

Using the sponge applicator apply in light circular motions extremely sparingly and allow to dull for approx 5-10 minutes.

Buff to a high shine using the blue microfibre cloth provided turning frequently.

Occasionally under certain humid application conditions, the applied film may bloom after initial application and buffing.

The bloom will disappear once the film is fully cured, or it can be removed immediately with a wipe down / buff with a slightly damp buffing cloth.

This is a characteristic of the T1 carnauba wax used in the manufacture of this product.

Both applicator pad and microfibre cloth can be washed for reuse. Do not use fabric conditioner. Applicator pad should be stored away from direct sunlight.

The information set out in this flier is, so far as can be ascertained, true and accurate, but all recommendations or suggestions are made without guarantee.

Since the conditions of use of the Products sold by Permanent Painted Coatings Limited Permanent Painted Coatings Pty Ltd (Australia) ("PPC Pty Ltd") are beyond the control of PPC Ltd / and or PPC Pty Ltd ("the company"), the Compa to the full extent allowed by law, disclaim any liability with respect to damage, injury or death consequent upon the use of the Products or consequent upon the use of the information contained herein.
