The Dr Sebagh Signature Facial

Beautifully tailored to the needs of your skin, each step of this hour-long treatment is expertly designed to leave you looking rested and radiant and your skin glowing with renewed vitality.

Using products from the Dr Sebagh Advanced Ageing-Maintenance Skin Care range, the treatment includes lymphatic drainage to assist detoxification and promote blood flow as well as a 'muscle workout for the skin', which focuses on lifting and firming the muscle layer beneath the skin to define and firm the contours of the face.
