SAFETY, HEALTH, AND ENVIRONMENTAL INFORMATION:

Keep the container tightly closed and upright to prevent leakage when not in use. Don't breathe in vapors and sanding dust. A cartridge mask should be worn when rubbing down. Provide adequate ventilation during application and drying. If you experience difficulty in breathing, move to fresh air. Don't permit smoking in the vicinity. Avoid contact with eyes and skin. Wear gloves and goggles during application or sanding. In case of contact with eyes, flush with plenty of water and seek medical advice. To remove splashes from the skin, use soap and water or a recognized skin cleaner. Protect from extremes of temperatures. Store in a cool dry place but also protect from freezing. In case of fire, use foam, dry powder, CO2 fire extinguisher. Keep away from the source of ignition. Close the container tightly after each use. Keep out of reach of children. In case of an accident, collect spillage using sand or clay and dispose of paint waste in accordance with appropriate environmental quality requirements.

Any advice recommendations, information, assistance, or service provided by Progressive Paint Industries in relation to goods manufactured or marketed by it or their use or any applications is given in good faith without expressed or implied warranties.

NOTE:

Color and high sparkle metallic finish depend very much on the right pressure, the distance between the spray gun and the surface, the viscosity of the paint, method of application of the painter.
