Zoo-Phonics Motions

(These have probably been updated since Heidi learned them 15 years ago.)

For more current information, please visit Zoo-Phonics.com.)

All motions should be done with the sound simultaneously.

- a** Allie Alligator- Make an alligator chomping motion with both hands.
- b** Bubba Bear- Reach up with one hand (as if for honey from a bee hive) and feed yourself honey.
- c** Catina Cat- Put one hand on a cheek and rub it as if you are a cat cleaning itself.
- d** Deedee Deer- Using both hands, hold two fingers up on top of your head and flick the fingers as a deer flicks its ears.
- e** Ellie Elephant- Move one arm in front of you like an elephant's trunk.
- f** Francy Fish- Place one hand out and put the other hand on top of it. Wiggle thumbs and make an up and down swimming motion like a fish.
- g** Gordo Gorilla- Pretend to hold a banana in one hand and peel it with the other.
- h** Honey Horse- Slap your legs and make a horse galloping motion with your feet.
- i** Inny Inchworm- Put one finger up and make it inch along like an inchworm.
- j** Jerry Jellyfish- Using both hands, wiggle fingers and move hands downward as a jellyfish might swim.
- k** Kayo Kangaroo- Make a boxing motion with hands and kick with one foot at the same time.
- l** Lizzy Lizard- Hold hands under your chin with elbows up and sun yourself like a lizard. Cock head to the side.
- m** Missy Mouse- With one hand, pretend to feed yourself cheese like a mouse.
- n** Nigel NightOwl- Put both hands around your eyes as if you are holding binoculars, to remind us of an owl's big eyes.
- o** Ollie Octopus- With both hands, make a swishing motion like an octopus swimming.
- p** PeeWee Penguin- Walk like a penguin with both hands at sides.
- q** Queeny Quail- Put one finger on the forehead and bend it up and down, to remind us of the curly feather on the quail's head.
- r** Robbie Rabbit- With both hands in front of you, hop like a rabbit.
- s** Sammy Snake- With one hand, make a slithering snake motion.
- t** Timothy Tiger- Hold both hands out to the side and pretend to rattle your cage at the zoo, because you want out.
- u** Umbrella Bird- With one hand, pretend to hold an umbrella over head and "fly" with the other hand.
- v** Vincent Vampire Bat- Put both hands on the mouth and make teeth with the index fingers, while elbows "fly."
- w** Willie Weasel- With both hands, lace fingers together and make a rolling motion like a weasel running.
- x** Xavier Fox- With both hands, cross index fingers in the shape of an X and pretend to knit.
- y** Yancy Yak- Form one hand into a sign language Y and hold it like a telephone at the ear.
- z** Zeke Zebra- Place palms together and make a pillow for your head. (The zebra is tired from all that running around.)
