

Gingerbread Man Themed Worksheets and Activities

Here is a fun set of activities for your little ones to enjoy with any Gingerbread Man themed unit! We hope that you will enjoy these activities with your students and children throughout the holiday season and any time of year!

The contents and any relevant instructions are listed below.

1. Gingerbread Man "Sight Word Surprise"

This is a water color resist activity that helps kids practice sight word recognition.

To prepare: simply copy the page onto cardstock paper, and then write one letter of a sight word on each Gingerbread Man's tummy on the page with a WHITE crayon. Be sure to write several different words on the papers that the children will be choosing from and mix them up so that there will be a variety of different sight words at the table.

To use: give the children water color paints and let them paint the paper in any way that they choose. (We use liquid watercolors because they are brighter!) As they paint over the white crayon, the word will appear! When the papers are dry, use them to drill the students on their sight words.

2. Gingerbread Man Connect the Dots ABC

Two different Gingerbread Men Connect the Dots pages are provided for your use; one has upper case letters, and one has lower case letters! Be sure to show your students how to draw the lines from one DOT to another, rather than from one LETTER to another, singing the alphabet song to themselves as they go along.

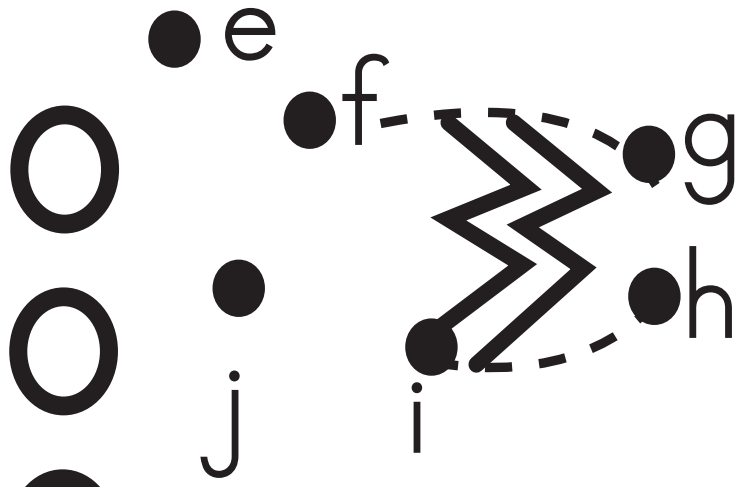

3. Gingerbread Man Color by Number

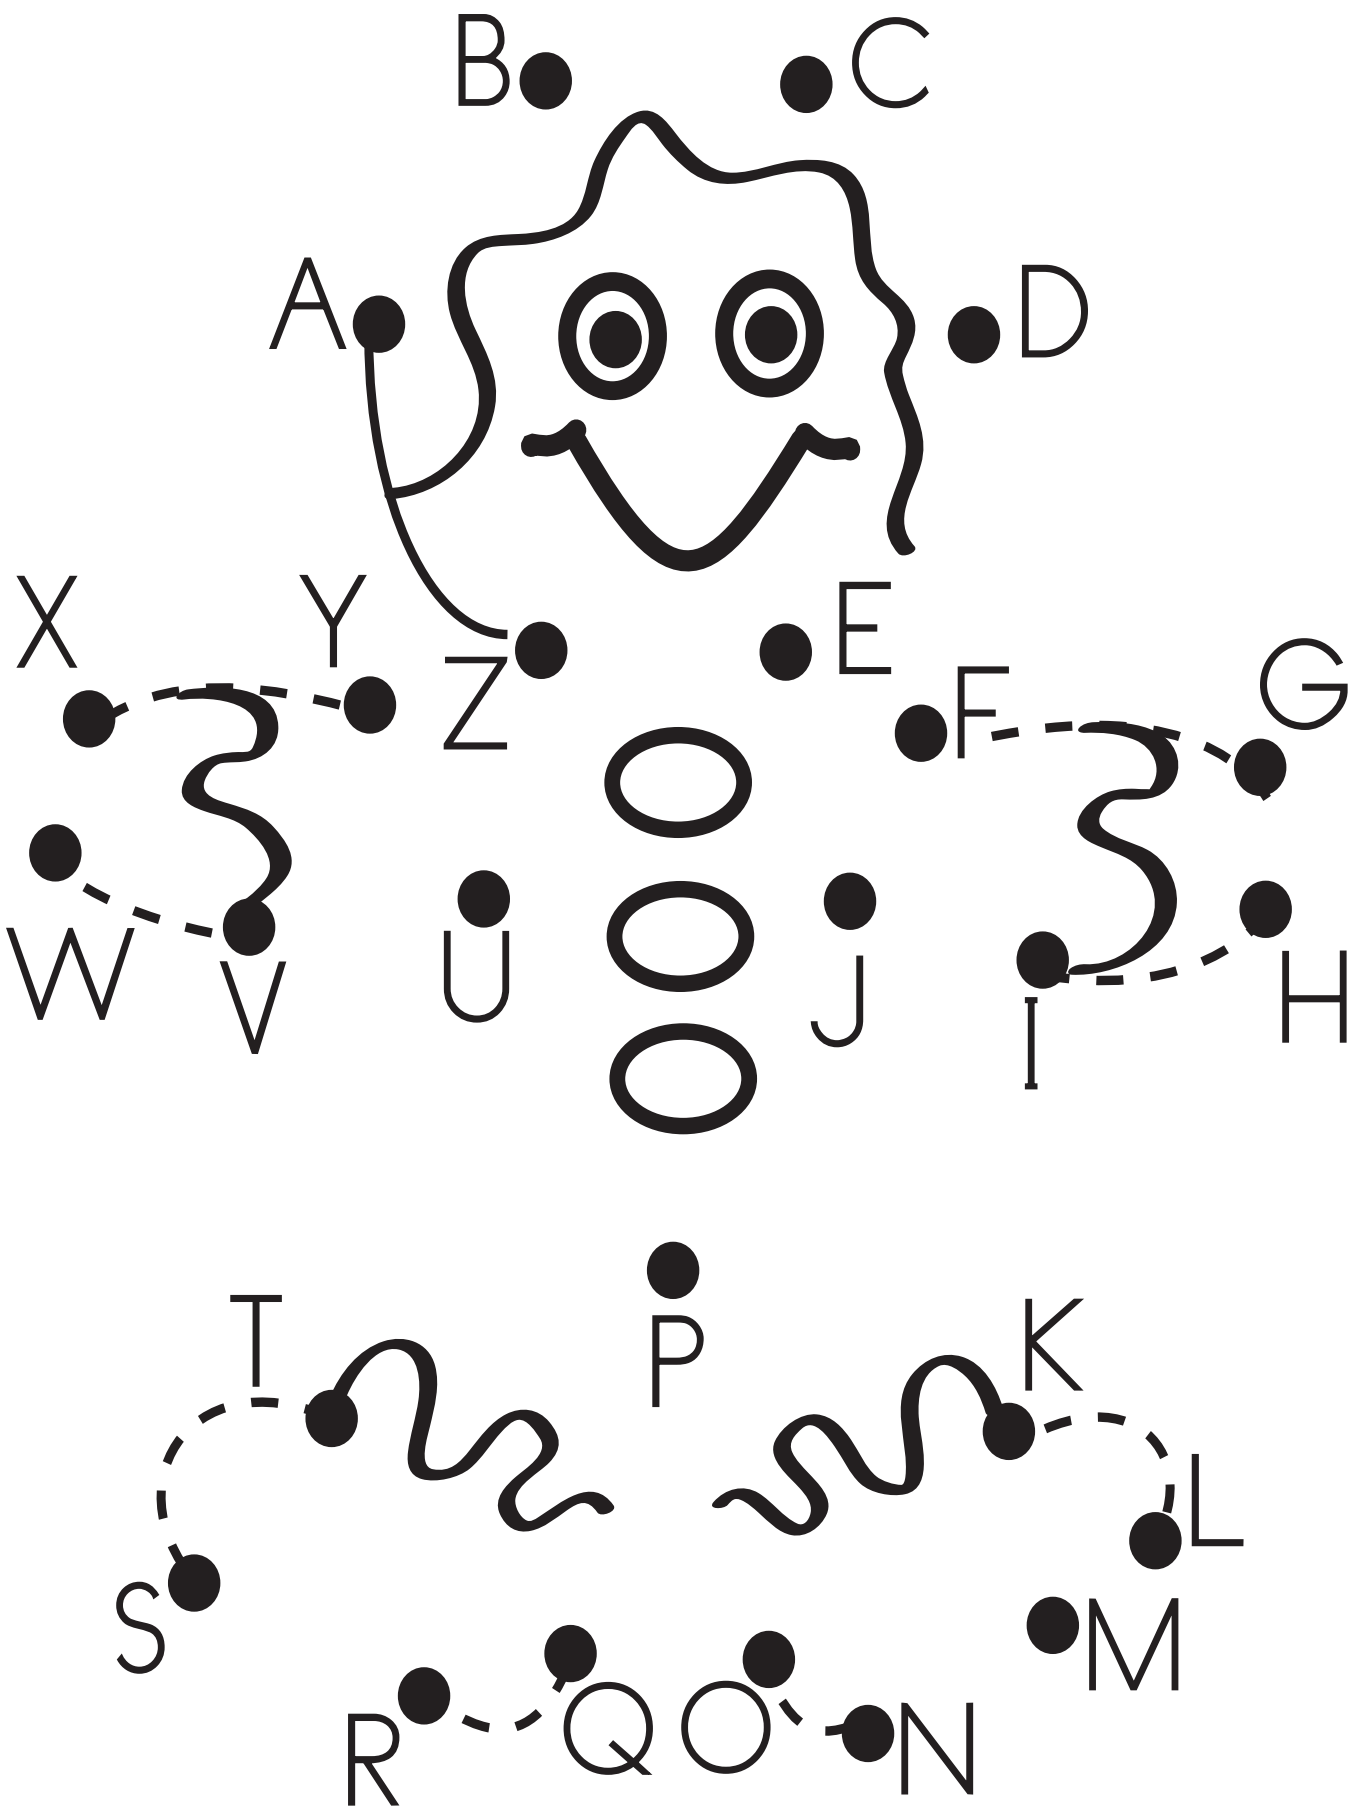

All your students need to do is look at the numbers and color the Gingerbread Man in the color indicated. Anything marked with a number eight means that they get to color that section any color they want! Have fun!

Name: _____

b ● ● c

Color by Number:

Name: _____

- 1: blue
- 2: pink
- 3: yellow
- 4: brown
- 5: orange
- 6: green
