Homework Activities for Mrs. Butkus' Class Week of Oct. 12-16, 2015

Don't forget to time your child on those math facts each night and write down the minutes and seconds that it took to complete it on the Math Fluency Log!

The books that the children bring home each Monday in a plastic bag should be read several times in preparation for an AR test. Please return the book in the bag when your child is ready for the test. I would like to have them by Wednesday, but if your child isn't ready for the test, you can keep them another day. We definitely need them by THURSDAY so that we can take the AR tests in the lab on that day and then start getting the books checked back in. Thank you!

Additional Writing Homework to be done any day this week: Please have your child write something he or she knows about spiders and make a picture on the back on the attached paper. First graders need to do at least four sentences. Second graders need to do at least six.

Monday

Math Facts: Practice your math facts on the paper in the page protector. Write down how long it took to complete it in minutes and seconds on the math fact log. Our goals: Second Grade: Three minutes or less. First Grade: Five minutes or less. Reading: Read the classroom reading book that came home in the plastic bag. Spelling: Do the Rainbow Writing Activity!

Wednesday

Math Facts: Practice your math facts on the paper in the page protector. *Write down how long it took to complete it in minutes and seconds on the math fact log.*

Parent Signature

Spelling activity: Have someone tell you the dictation sentences while you practice writing them. Then write them again correctly, fixing your mistakes.

Thursday

Math Facts: Practice your math facts on the paper in the page protector. **Write down** how long it took to complete it in minutes and seconds on the math fact log.

Parent Signature

Spelling activity: Have someone give you a practice spelling test today, **including the dictation sentences.** Then practice any mistakes you made on the back of any of the spelling worksheets from this week.

Friday

Return the homework today.

Are you willing to volunteer for a half an hour at our booth for the "Pumpkin Night"						
celebration on Friday night, Oct. 30? Please mark below if you are willing, and the						
best number to reach you!						

	Yes!	I can volunteer at our class booth for a half an hou	ır			
during Pumpkin Night, Oct. 30th!
