

# How to Write a Word Like It Sounds

Steps:

1. Say the word.

2. Stretch it out.

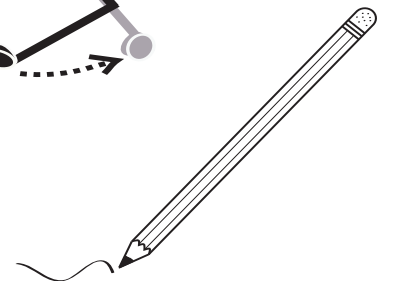

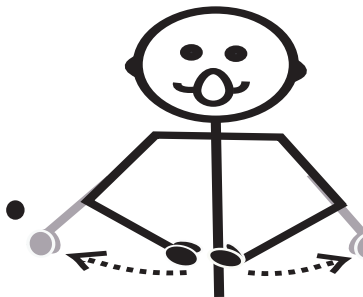

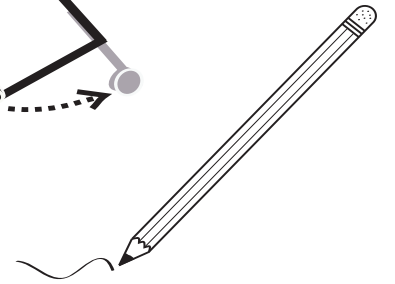

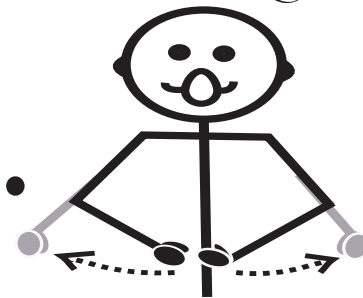

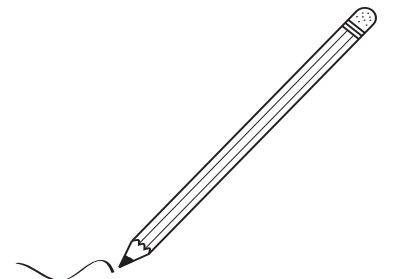

3. Write the first sound.

4. Stretch the word out.

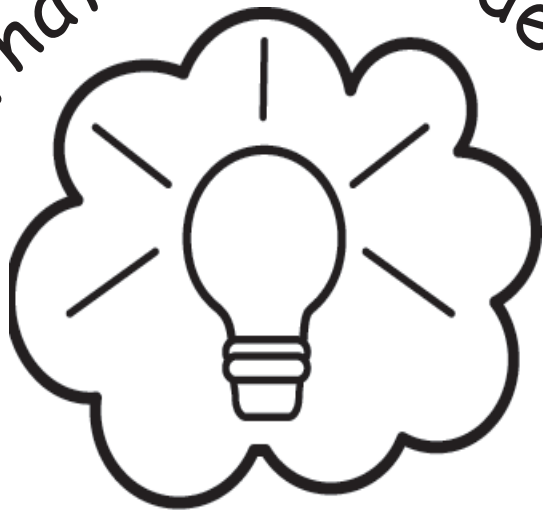

5. Write the middle sound.

6. Stretch the word out.

7. Write the ending sound.

What's the big idea?

Writing words like  
they sound is saying  
the words out loud  
and writing the  
sounds that you  
hear.
