 Name:

## Roll A Leprechaun Place Value: Tens and Ones

Roll the dice. Look at the number you rolled and decide which numbers it falls between, then write it on the corresponding line. If you roll and a line is already filled, then you lose that turn. Then draw that item on the leprechaun page! The first person to complete their leprechaun is the winner.
$0-9=$ Hat
$10-19=$ Head

20-29 = Jacket
$30-39=$ Pants
$40-49=1$ Shoe
$50-59=1$ Hand
$60-69=1$ Eye
$70-79=$ Mouth
$80-89=1$ Ear
$90-99=$ Beard

Roll A Leprechaun
Place Value: Hundreds, Tens \& Ones
Roll the dice. Look at the number you rolled and decide which numbers it falls between, then write it on the corresponding line. If you roll and a line is already filled, then you lose that turn. Then draw that item on the leprechaun page! The first person to complete their leprechaun is the winner.
