# TRUDI, UNA LUNGA STORIA D'AFFETTO...

Trudi, an ongoing of Love...

Da piccola attività artigiana, Trudi si trasforma in una realtà industriale, incrementando in modo considerevole il numero di dipendenti e il suo turnover. Nasce lo "Stile Trudi", simbolo di qualità, bellezza, e innovazione.

Its industrialization process begins and the number of employees and its turnover increases considerably. The "Trudi Style" is born, symbol of quality, beauty and innovation.

Trudi allarga i suoi mercati, diventando un Brand noto a livello internazionale.

Continua la strategia di diversificazione del prodotto, con il lancio di nuove linee e l'acquisizione di nuovi Brand. Nel 1998 viene acquisito il marchio Sevi, il più antico marchio di giochi in legno in Europa.

Trudi expands its markets, becoming an international Brand. The product diversification strategy continues, with the launch of new lines and the acquisition of new brands. In 1998 Trudi acquires Sevi Brand, the oldest wooden toy brand in Europe.

A Tarcento (Udine), nel 1954 viene fondata l'azienda Trudi.

I primi peluche vengono creati un po' per gioco, ma con tanta passione, dalla signora Trudi Müller Patriarca.

Trudi Company is founded in Tarcento (Udine).

The first soft toys are created for fun, but with a lot of passion, by Mrs. Trudi Müller Patriarca.

Trudi si evolve e conferma la sua posizione sul mercato, diventando un Brand di successo. Nascono i Trudini e le Sweet Collection, destinati a diventare i Best Seller della collezione.

Trudi evolves and confirms its market position, becoming a successful Brand. Trudi launches the Trudini and the Sweet Collection, that will become the Best Sellers of the collection.

La forza del brand e l'abilità di suscitare emozioni sono gli elementi fondamentali del continuo successo di Trudi. Trudi è il **Brand italiano leader** nel settore dei peluche.

The strength of the brand and its ability to arouse emotions are the key elements of Trudi ongoing success. Trudi is the leading Italian Brand in the market of plushes.

**Controlliamo ogni prodotto con un metaldetector che individua l'eventuale presenza di masse metalliche anche estremamente piccole (1,5 mm) e ci affidiamo a laboratori esterni per i test sugli elementi applicati, compresi quelli sugli ftalati e azocoloranti.**

We check each product with a metaldetector, which identifies the presence of any metal pieces, even if extremely small (1,5 mm). Moreover, external laboratories carry out tests on applied parts, including those on phthalates and azo dyes.

**I fornitori che lavorano per Trudi sottoscrivono il Codice Deontologico dell'azienda che vieta sfruttamento minorile, lavoro forzato, discriminazioni e garantisce i diritti dei lavoratori, ambiente salubre e salario a norma.**

All suppliers who work for Trudi sign the Company's Ethical Code which forbids child exploitation, forced labour, discrimination and safeguards the rights of workers and guarantees a healthy environment and legal wages.

## SAFETY AND QUALITY

**Il costante sviluppo creativo e la ricerca tecnologica più avanzata, ci permettono di offrire peluche d'alta qualità e ricercato design. Le nostre creazioni sono realizzate secondo i più accurati sistemi di produzione.**

Our constant creative development and increasingly advanced technological research have enabled us to offer high quality soft toys and a refined design. Our creations are made adopting the most precise production systems in order to ensure our customers' safety.

**I prototipi delle creazioni Trudi sono realizzati a mano. Sulla base dei cartamodelli preparati dai nostri creativi, sono cuciti, rifiniti, controllati e spazzolati artigianalmente. Utilizziamo solo materie prime d'altissima qualità, ignifughe e atossiche.**

The prototypes of the Trudi creations are all hand-made. Based on the paper patterns prepared by our designers, they are then sewn, finished, inspected and brushed by hand. We only use fireproof and non-toxic raw materials of the highest quality.

Trudi, da sempre sensibile alle problematiche ambientali legate alla salvaguardia del pianeta, riconosce l'importanza del riciclo per la crescita di un modello di produzione e consumo sostenibile, con l'obiettivo di favorire la riduzione del consumo delle risorse e aumentare la qualità dei prodotti riciclati.

Trudi, always sensitive to environmental issues related to the protection of the planet, recognizes the importance of recycling for the growth of a sustainable production and consumption model, with the aim of promoting the reduction of resource consumption and increasing the quality of recycled products.

Per questo, dalle produzioni del 2022 tutti i prodotti saranno prodotti con imbottitura in fibra di poliestere, 100% materiale riciclato.

For this reason, from the productions of 2022 all the products will be produced with polyester fibers stuffing, 100% recycled materials.

## PRODUCT CARE

Se a seguito di una prolungata esposizione il prodotto diventasse sporco o impolverato, questo può essere lavato in lavatrice usando un programma per capi delicati, sapone neutro e una temperatura massima di 30°C.

Should the product soil or become dusty after a prolonged display, we wish to remind you that it can be washed machine with neutral soap, at less than 30°C (85°F).

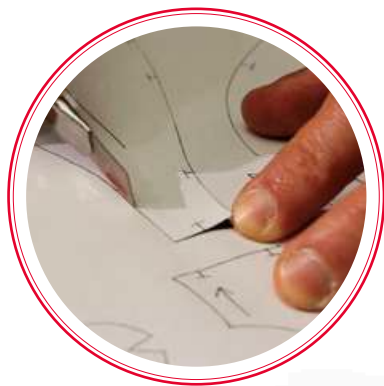

Per articoli di grandi dimensioni o contenenti sonagli, carillon, legno, parti elettroniche, ecc. vi consigliamo di lavare a mano con spugna imbevuta di acqua con sapone neutro e risciacquare con cura. Strizzare dolcemente per far uscire l'acqua e asciugare a temperatura ambiente.

If the toy is large or has music boxes, wooden or electric components in it, we recommend you to wash it by hand with a soapy sponge and rinse it well. Squeeze it gently and let it dry at room temperature.

**I protagonisti di questo mondo sono cuccioli e animali realisticamente interpretati con un tocco di simpatia e dolcezza.**

The protagonists of this world are baby and adult animals realistically interpreted with a touch of friendliness and sweetness.

**I materiali, morbidi e pregiati, sono l'elemento distintivo di ogni soggetto e consentono di lavorare con precisione scultorea le forme e riprodurre fedelmente ogni dettaglio.**

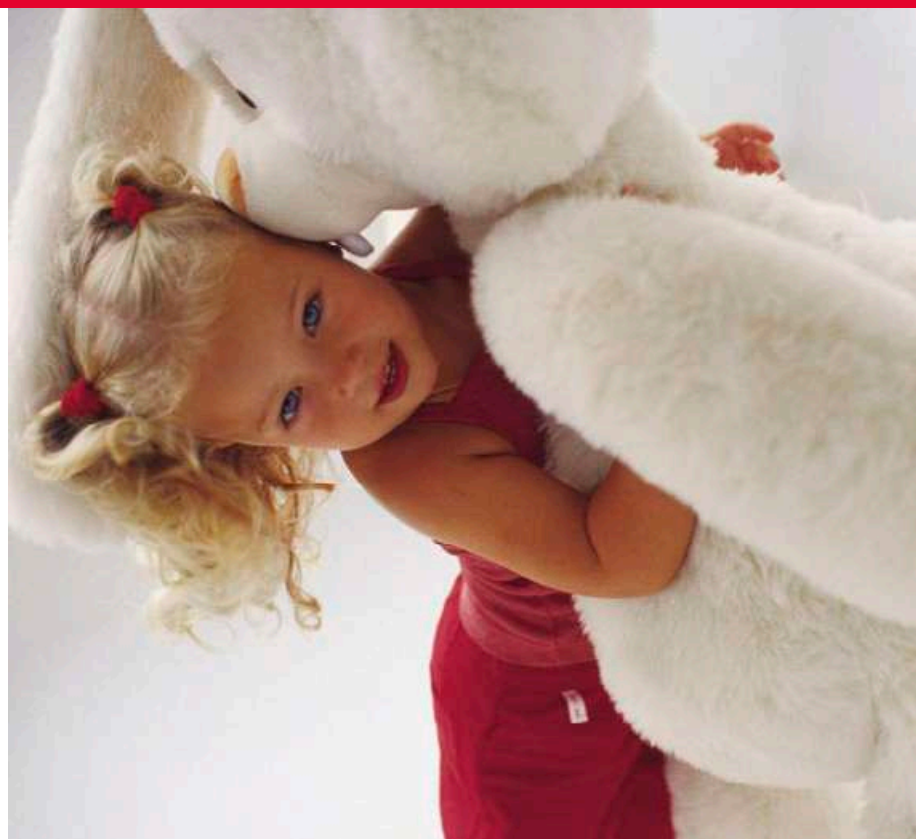

The soft and precious materials are the distinguishing element of each character and allow to precisely define the shapes and faithfully reproduce every detail.

## TRUDI PLUSH

**Tutti gli animali sono ritratti in famiglie nelle quali i soggetti in taglia più piccola hanno proporzioni da cuccioli che crescendo di taglia diventano man mano più adulte.**

All the animals are represented in families where the smallest characters have baby animal proportions that, as their size increases, become adult animal proportions.

ROCKING  
ANIMALS

Un Trudi  
Rocking Animal è un vero  
**capolavoro in miniatura**, in cui  
si possono ritrovare tutti gli elementi  
della tradizione e le caratteristiche di  
pregio e qualità che appartengono  
al marchio.

A Trudi Rocking Animal is a true miniature  
masterpiece, in which you can find all the  
elements of tradition and the characteristics  
of value and quality that belong  
to the brand.

**Le materie prime**  
utilizzate sono di altissima  
qualità. Il pelo, morbido e  
pregiato, è ignifugo e atossico; tutti gli  
accessori sono saldamente fissati  
e superano i più severi test meccanici  
a livello internazionale.

All raw materials are of premium quality, the fabric  
used is extremely soft, non-toxic and fireproof;  
all accessories and applied parts are firmly  
fixed and pass the strictest international  
mechanical test.

I Rocking  
Animal Trudi sono  
testati per supportare un  
**peso fino a 50 kg** per un  
numero illimitato di cavalcate!

Safely inside this polyspongethere  
is metal structure that can bear up  
to 50 kg and endless rides!

**La struttura  
interna** è l'elemento che lo  
contraddistingue: il corpo non è  
imbottito, ma costituito da un unico  
blocco in poliuretano espanso ricavato  
da uno stampo esclusivo e costruito  
attorno a un solido telaio di metallo.

The internal structure is the element that  
distinguishes it: the body is not simply stuffed,  
but it is made of a single expanded  
polyurethane block made from  
an exclusive mould.

Gli animali del mondo classico, realizzati in taglie sempre più piccole diventano **piccoli capolavori** che racchiudono l'essenza e l'arte di Trudi.

The animals of the classic world, made in increasingly smaller sizes, become little masterpieces that enclose Trudi's essence and art.

Una **varietà di linee** pensate per regalare emozioni ed esprimere il lato più dolce della propria personalità.

A variety of lines designed to provide emotions and express the sweetest side of one's personality.

## TRUDI COLLECTIBLE

**I materiali**, elemento distintivo di queste creazioni, vengono selezionati secondo le loro caratteristiche per interpretare le minuscole forme o per esaltare la dolcezza dei personaggi.

The materials, which are the distinguishing element of these creations, are selected according to their characteristics to interpret the tiny shapes or to enhance the sweetness of the characters.

**SWEET  
COLLECTION**

*Piccoli  
capolavori, tutti da  
collezionare!*

*Vengono utilizzati fino a 10  
materiali diversi per rendere unici  
questi capolavori in miniatura!*

*Little masterpieces, all to collect!  
Up to 10 different materials are  
used to make these miniature  
masterpieces unique!*

## TRUDI CHARMS

*Il trend di lusso  
dei charms sulle borsette  
griffate viene reinterpretato in stile  
Trudi: perfetti sia come compagni di  
gioco che come charms da collezionare,  
i Trudi Charms sono delle dolcissime palline di  
pelo cordate da un loop di raso, perfetto per  
essere agganciato a borse, tracolle e zainetti.*

*The luxury trend of charms on designer bags is reinterpreted  
in Trudi style: they are perfect both as playmates  
and as collectible charms.*

*Trudi charms are small cute plushes with a loop  
that allows them to be safely fixed on bags  
and backpacks.*

**Gli animali Trudi interagiscono con i bambini sotto nuove forme e condividono con loro il proprio mondo.**

Trudi's animals interact with children and share their world with them.

**I morbidi tessuti utilizzati, sono il filo conduttore con gli altri mondi Trudi e vengono scelti per esaltare la funzionalità dei nuovi giocattoli.**

The soft fabrics used are the common thread with the other Trudi worlds and are chosen to enhance the functionality of the new toys.

## TRUDI MORE

## SAFETY AND QUALITY

Die kontinuierliche kreative Entwicklung und die fortschrittlichste technologische Forschung erlauben es uns, hochwertige Plüschtiere mit einem formschönen Design vorzustellen. Zur Gewährleistung der Sicherheit unserer Kunden werden unsere Kreationen mit sorgfältigsten Produktionssystemen hergestellt.

Un développement créatif constant et une technologie de pointe nous permettent d'offrir des peluches de qualité élevée au design recherché. Nos créations sont réalisées selon des systèmes de production extrêmement soignés pour garantir la sécurité de nos clients.

El constante desarrollo creativo y la investigación tecnológica más avanzada nos permiten ofrecer peluches de alta calidad y diseño elegante. Nuestras creaciones están realizadas según los más escrupulosos sistemas de fabricación.

Die Prototypen der Kreationen von Trudi sind handgefertigt. Auf der Grundlage von Schnittmustern, die vorbereitet werden von unseren Kreativmitarbeitern, werden sie in handwerklicher Arbeit genäht, vollendet, kontrolliert und gebürstet. Wir verwenden feuerfeste und ungiftige Rohstoffe von höchster Qualität.

Les prototypes des créations Trudi sont réalisés à la main. Sur la base de patrons préparés par nos créateurs, ils sont cousus, finis, contrôlés et brossés artisanalement. Seules des matières premières de très haute qualité, ignifuges et atoxiques, sont utilisées.

Los prototipos de las creaciones Trudi están realizados a mano. Sobre la base de los patrones preparados por nuestros creadores, están cosidos, acabados, controlados y cepillados artesanalmente. Utilizamos sólo materias primas de altísima calidad, ignífugas y atóxicas.

Trudi, die seit jeher für Umweltfragen im Zusammenhang mit dem Schutz des Planeten sensibilisiert ist, erkennt die Bedeutung des Recyclings für die Entwicklung eines nachhaltigen Produktions- und Verbrauchsmodells an, mit dem Ziel, die Verringerung des Ressourcenverbrauchs zu fördern und die Qualität der recycelten Produkte zu verbessern.

Trudi, toujours sensible aux enjeux environnementaux liés à la protection de la planète, reconnaît l'importance du recyclage pour la croissance d'un modèle de production et de consommation durable, dans le but de favoriser la réduction de la consommation des ressources et d'augmenter la qualité des produits recyclés.

Aus diesem Grund werden ab der Produktion im Jahr 2022 alle Produkte mit einer Polsterung aus 100% Polyester hergestellt, die hauptsächlich aus recyceltem Material besteht.

Pour cette raison, à partir des nouvelles productions 2022, tous les produits seront fabriqués avec un rembourrage composé avec 100% de polyester, provenant principalement de matériaux recyclés.

Por este motivo, a partir de la producción de 2022 todos los productos se fabricarán con acolchado de poliéster al 100%, procedente principalmente de material reciclado.

## PRODUCT CARE

Ist der Artikel nach längerer Assutellungszeit verschmutzt oder verstaubt, sei daran erinnert, daßer waschbar ist sind im Schonwaschgang und mit Feinwaschmittel bis 30°C waschmaschinen-geeignet.

Si, à la suite d'une exposition prolongée, le produit devient sale ou poussiéreux, il peut être lavé en machine, avec un savon neutre et une température de 30°C maximum.

Si, debido a una exposición prolongada, el producto se ensuciará o llenará de polvo, se pueden poner en la lavadora con jabón neutro y una temperatura máxima de 30°C.

Plüschtiere, die wegen ihrer Größe nicht in die Waschmaschine passen oder Artikel mit Spieluhr, Holz und elektronische Elemente, bitte von Hand mit Schwamm und Seife waschen und gut nachspülen. Wasser mit leichtem Druck auspressen und bei Zimmertemperatur trocknen.

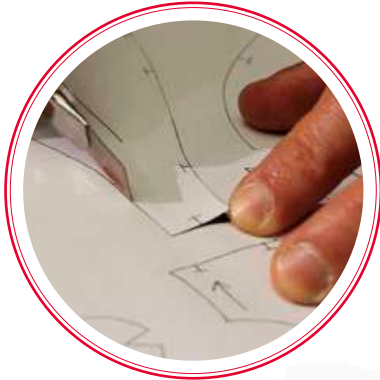

Pour les articles de grandes dimensions ou contenant des carillons, éléments en bois ou électriques, il est conseillé de les laver à la main avec une éponge imbibée d'eau et de savon, puis de les rincer abondamment. Les tordre délicatement et laisser sécher à température ambiante.

Les aconsejamos lavar a mano con una esponja húmeda con agua y jabón y enjuagar con agua los artículos de grandes dimensiones o que contienen carillón, madera o partes electrónicas. Escurrir suavemente para quitar el agua y secar a temperatura ambiente.
