58.9" dia x 23.4" h  
1496mm dia x 595mm

### Description

In the mountains of Japan, steaming onsen bathhouses are natural respites where water represents not just cleanliness but pleasure, and its surrounding presence lulls the body and mind into a state of ease and contemplation. So we followed the contours of round Hinoki cypress-staved ofuro soaking tubs as the inspiration for our deepest bathing experience. Our iteration flares slightly as it ascends, expanding its diameter to almost 1.5 metres to accommodate 613 litres of capacity, offering just enough space in which to lose yourself.
