1900mm x 1011mm x 557mm

### Description

Rising majestically into a surround encompassing a stunning 1.58 cubic metres, this tub reaches its crescendo in a smooth, asymmetric lip that hints at overflowing bounty. Inspired by naturally occurring ovoid forms of the plant and animal kingdoms, its expansive roundness speaks to rebirth and rejuvenation, a reawakening of the primal soul through the ritual of bathing. Submerge your stresses. Emerge whole, pure and new.
