

- Raffinato equilibrio tra materiali e forme contraddistinguono i tavolini della collezione. Disponibili con base in metallo verniciato, elegante la proposta con piedini verniciato oro. Ripiani tondi in cristallo, legno o ceramica. Molto interessante la versione monocromatica con struttura e piano in metallo.

A refined balance between materials and shapes distinguish the coffee tables of this collection, available with a painted metal frame. Elegant is the option with golden feet. Round tops in glass, wood or ceramic. Interesting is the monochromatic version with frame and top in painted metal.
