

Fisher & Paykel

Combination Microwave Oven
OM36NDXB1 FP AA

Product Code: 80615-A

Parts Manual

AA GB IE

Brand: Fisher & Paykel

Voltage: 220-240V, 50H

Model: OM36NDXB1 FP AA

Product Code: 80615-A

Models

- The models covered by this manual are listed on the front cover.
- The information detailed in this manual is subject to change without notice. The latest version is indicated by the reprint date and replaces any earlier editions.

Kit Parts

Kit components are shown in *italics*. Where a part number is shown against the descriptions for these kit components, they are also available as separate items. In addition, some parts may be supplied with these kits that are not available as separate items, and are therefore either not listed, or a part number is not shown against the part description in this manual.

Parts List Key

<i>italics</i>	Kit components or parts included are shown in italics. Refer to above notes: Kit Parts.
NI	As a part reference, indicates the part is not illustrated on the diagram.
NOT USED	As a part number, indicates the diagram part reference is not used in this manual.
