ELT Solutions

Company profile

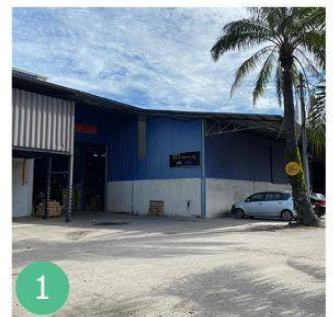

Founded in 2011, we initiated our journey by establishing two brands, **Pio** and **Ovel**. We started by specializing in the wholesale distribution of Furniture Fittings, with a primary focus on Hinges and Slides. As the years passed, we expanded our product offerings to include an extensive range of items, from Kitchen and Wardrobe Accessories to cutting-edge hardware systems like Sliding Doors, Murphy Beds, and Table Systems. We also ventured into the world of LED & customized Aluminium Cabinet Doors to our lineup.

Our success is built on fruitful collaborations with a diverse clientele that includes skilled Carpenters, creative Interior Designers, visionary Architects, and Furniture Exporters. Our products have made their way into over 36 Countries Worldwide, spanning regions such as the USA, UK, Australia, Japan, Korea, and numerous others across Southeast Asia, North and South America, Europe, and beyond. We're thrilled to continue this journey of growth and exploration.

Present across Malaysia, our network comprises strategically located offices and warehouses, with headquarters in Muar, Johor and an aluminum factory in the same location. Branches in Kuala Lumpur, Johor Bahru, and Penang to enhance our reach.
