Lorenzo Serra Ferrer lo explicó muy bien desde el balcón del Ayuntamiento, un día después de ganar la Copa del Rey en 2005: "La grandeza del Beticismo es que vino más gente a recibirnos en 1997 después de perder aquella Final". Manque Pierda.

Lorenzo Serra Ferrer explained it very well from the balcony of the City Hall, one day after winning the Copa del Rey in 2005: "The greatness of Beticismo is that more people came to welcome us in 1997 after losing that Final". Manque Pierda.
