# Plate/Bracket for 6" Ultra-Thin Recessed LED Light

# **Description:**

These brackets make installing ultra-thin recessed LED lights in new construction applications a breeze. Simply install the plates at your designed locations before installing the Light, have your drywallers cut/router the holes for your lights using the plate as a guide, and then snap your ultra-thin light into place after drywalling is completed.

### Easy to install, mount and configure

## Ideal for use in new-construction applications

#### **Dimensions**
