

# Assembly Diagram: 1085 - 5 Drawer Storage unit for Kallax (No Dividers)

Always dry fit first then use a suitable wood adhesive

1.)

Starting with the back piece place each of the 4 bases for the trays in and enclose it into a box following the order shown

X5

2.)

Slot each of the pieces in order to create each of the 5 drawers for the unit and simply slide in to each of the bays
