

Superior suction power in a strong and flexible three-motor vacuum

ATTIX 115 & 125 are powered by 3x1000 Watt independent "by-pass" motors and offer 100 litres containers. The two models have an integrated durable polyester star-filter with big surface area, and the manual filter shaker on the top of the machine is easy-to-use and ensures a high efficiency of the filter.

ATTIX 115/125 are made of epoxy painted metal giving the vacuum cleaners a very robust and reliable design. The manual filter shaker ensures a good efficiency of the filter and the SitDown container system allows a convenient disposal without disassembling other parts of the vacuum cleaner.

- Three-motor industrial performance
- Comfortable grip and robust steel chassis for durability and easy mobility
- MultiFit adapter included for high flexibility in accessory choice
- Storage of accessories
