Application videos

WASH Gentle Foam Cleaner
is suitable for the following surfaces:

Cowhide Leather | Calf Leather |
Lambskin Leather | Patent Leather | EPI Leather |
Goatskin Leather | Caviar Leather | Ostrich Leather |
Taurillon Leather (Calf Leather)
Clemence Leather (Calf Leather) |
Togo Leather (Calf Leather)
Epson Leather (Calf Leather) |
Taiga Leather | Canvas / Sailcloth
Textiles | Nylon | Velvet | Denim

New or like-new Vachetta leather has the tendency
to darken easily. It is advisable to conduct a preliminary
test on an inconspicuous area before applying any
treatment to the entire surface.

CARE Leather Care Lotion
is suitable for the following surfaces:

Cowhide Leather | Calf Leather
Lambskin Leather | EPI Leather
Goatskin Leather | Caviar Leather
Ostrich Leather | Taurillon Leather (Calfskin)
Clemence Leather (Calfskin) | Togo Leather (Calfskin)
Epson Leather (Calfskin) | Taiga Leather
Also perfect for Canvas/Sailcloth.

It is advisable to conduct a preliminary
test on an inconspicuous area before applying any
treatment to the entire surface.

SAFE Impregnation Spray

Is suitable for the following surfaces:

Cowhide Leather | Calf Leather | Lambskin Leather
EPI Leather | Goatskin Leather | Caviar Leather
Ostrich Leather | Taurillon Leather (Calfskin)
Clemence Leather (Calfskin) | Togo Leather (Calfskin)
Epson Leather (Calfskin) | Taiga Leather
Canvas/Sailcloth | Textiles | Velvet | Denim

It is advisable to conduct a preliminary
test on an inconspicuous area before applying any
treatment to the entire surface.

Keep out of reach of children.
In case of persistent eye irritation due
to contact, seek medical advice.
Rinse with plenty of water.
Request the safety data sheet if needed.

**Test material compatibility always
on an inconspicuous spot.**

Wash

**POWERFUL
FOAM WASH**

Gentle Cotton Scent

Specially developed for the delicate cleaning of
leather, canvas, and textiles. Removes dirt and
impurities without compromising the material.

Clean 

Apply foam and clean gently
with a handbrush or Easybrush,
without applying excessive pressure.
Reapply foam as needed.

Dry off 

Remove dirt with a damp
microfiber cloth and dry wipe.

Dry 

To dry, leave at room
temperature for 2-3 hours

Care

PREMIUM LEATHER CARE

With beeswax

Moisturizes your accessories, refreshes colors, and protects against mold. The lightly white milky lotion removes unpleasant odors, nourishes the leather, and preserves the beauty of your luxury items.

Spray Generously with Care onto the Leather

Massage gently and evenly with a dry microfiber cloth

Allow to dry at room temperature for approximately 20 minutes

Safe

PREMIUM IMPREGNATION

with Lotus Effect

Protects your accessories from moisture and stains. The invisible, odorless barrier preserves the beauty of your luxury items. Everything beads off!

Ensure a clean, purified surface before application

Apply generously, spraying at a distance of around 15cm. Avoid the formation of strong puddles.

Allow to dry at room temperature for 24 hours.

Repair

LEATHER RESTORATION

without Abrasion

For all SMOOTH, CAVIAR, & EMBOSSED LEATHER TYPES **Important!** Does not work on Lacquer, Suede, Rough, Nubuck, Velour, Faux, Textile Leather & Canvas.

To apply to the affected area with the red marten hairbrush. Remove any excess after 20 minutes using Care and seal the area

Let it soak for 20 minutes. Important!

Seal with Bagvolution "CARE" and let it dry.
