About The Foundation

The Gables Hispanic Cultural Foundation, Inc. is a Florida Statutes 501(c)3 charitable, non-profit organization, established pursuant to Chapter 617 of the Florida Nonprofit Corporation Act as amended.

Incorporated as of January 10, 2010, our organization is responsible for the Annual Coral Gables Hispanic Cultural Festival in "The Beautiful City" of Coral Gables and numerous charitable fundraising events throughout the year. The Festival is part of Dade County's month long celebrations of Hispanic Heritage.

The charitable and educational purpose of the Coral Gables Hispanic Cultural Foundation is to enhance and promote Hispanic culture through the appreciation of Hispanic Heritage. We embrace different cultures from around the world through education of the arts in South Florida. Our mission further evokes empowering individuals with disabilities through opportunities that foster individualism in the arts.
