

Bluetooth Neckband Headset Instruction Guide

Pairing: To pair the headset to your device, turn the power switch to ON. Once the light starts to flash, go into your device's Bluetooth settings and connect to "Acesori Neckband". If prompted, enter the password "0000".

Playing Music: To play/pause music, simply press the Play/Call button once the audio is playing on your device. Pressing the Volume/Track buttons will lower or raise the volume*. Holding down the Volume/Track buttons will navigate to the previous or next song.

Phone Calls: To answer or hangup on a call, press the Play/Call button. Holding down that button for 5 seconds will refuse the incoming call. Quickly tapping that button twice will redial the last number.

Charging: To charge the headset, plug the included cable into the micro USB port on the underside of the left band & the other end of the cable into a USB power adapter or a USB port on a computer.

* Use caution when raising the headset volume by pressing the Volume/Track button. Raising the volume too high while the earbuds are in your ears may cause discomfort.

Warranty

Acesori proudly backs your device for a period of one (1) year from date of purchase.

Visit our website for full warranty conditions at: www.acesori.com.
