METAFORM

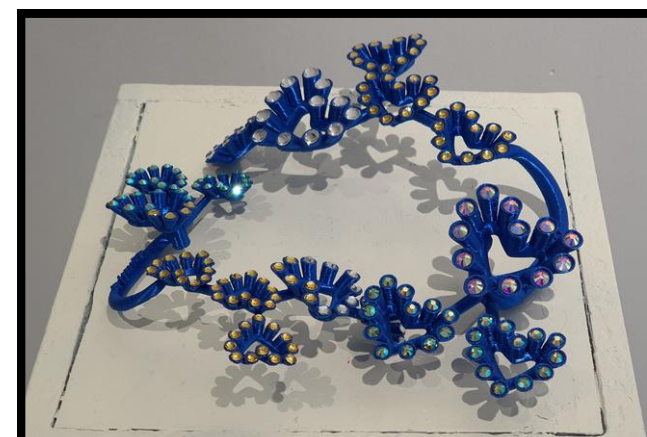

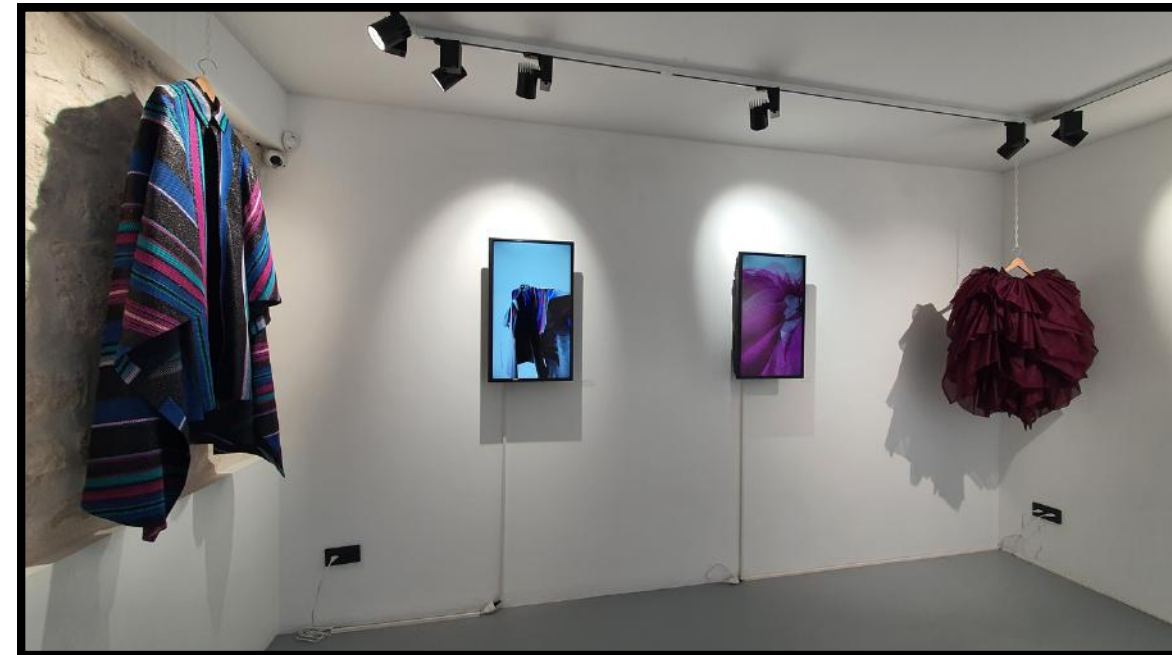

Metaform - Mars 2022
Nous croyons que les NFTs sont la nouvelle révolution introduisant le processus de blockchain dans l'industrie de l'art et de la mode. Une nouvelle étape dans le monde digital pour permettre aux marques davantage de transparence et d'accessibilité.

Metaform est une exposition où toutes les oeuvres digitales seront uniquement disponibles à la vente sous forme de NFTs. Ce nouvel espace et cette déclaration créative amènent la communauté de la mode dans un nouveau paradigme où le digital est partie prenante de l'équation.

Nous n'interférons pas avec la réalité, mais nous ajoutons de la créativité dans la manière dont nous organisons, interagissons et consommons la mode et l'art en 2022.
