Alcohol by volume	11.0%

Sizes

750 mL x 12 — VS20-0020-NV

Distributor's notes

100% Lambrusco Salamino

These grapes are from organically-treated 15+ year old vines planted to sandy-clay soils. After harvest, they are fermented in stainless steel tanks, then bottled unfiltered, lightly filtered. The wine offers fresh red and blue fruit notes, with soft bubbles and a lingering finish.
