Bottled: At the estate

Tasting notes

Winemaker Nathalie Coquelle's classic Provence rosé is a coppery salmon color that's as striking in its depth as its exuberant nose of raspberry, lime, mint, and warm sand.

Its organic viticulture and pedigree as the oldest winery in the appellation show on the unusually rich palate of strawberries and blueberries, with a crystalline minerality that lends freshness heading into the persistent, red-berried finish.

A superb and legendary rosé from this entirely solar-powered winery. Certified organic.
