Floor Sealer Sellador para Pisos

DESCRIPTION:

For use in the High Rise Floor Care System with old and porous floors. Structure is compatible with all floor finishes and dries to a brilliant gloss. Seals pores and adds durability to floor finish. Is effective in reducing scuffing and black marking.

DIRECTIONS:

Apply on a completely stripped, clean, rinsed and dry surface. Using a finish mop or microfiber applicator, apply 1 to 2 thin coats and allow to dry sufficiently between coats. For use with Lobby or any other Maintex floor finish. Ready to use product should never be diluted.

DESCRIPCIÓN:

Para usar en sistema de cuidado de suelos viejos y porosas. Structure es compatible con todos los acabados de piso y se seca a un brillo brillante. Sella poros y agrega durabilidad al acabado de pisos. Es eficaz en reducir de raspaderas en el piso y marcas negras.

INSTRUCCIONES:

Aplique a una superficie completamente limpia, enjuagada y seca. Utilizando un aplicador de trapeador o microfibra, aplique 1 a 2 capas delgadas y deje que se seque lo suficiente entre las capas. Se puede usar con cualquier otro acabado de piso de Maintex. Nunca debe ser diluido, esta listo para usar.
