## TAKE THE TIME TO TALK!

Have a debate about whether you'd always rather be one or the other of these qualities. Some choices may seem obvious but dig a little deeper and ask more probing questions - if you had to always be one or the other, which would you rather live with?
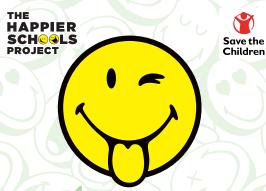

Do you think it's better to be pretty or witty?

Do you think it's better to be tall or small?

**Do you think it's better to be kind or have a mastermind?**
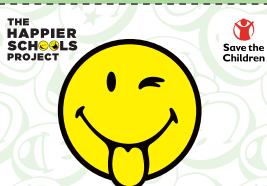

Do you think it's better to be dutiful or beautiful?

Do you think it's better to be honest or keep a promise?

Do you think it's better to be responsible or adorable?

Do you think it's better to be proud or cowed?

Do you think it's better to be funny or have lots of money?

Do you think it's better to have empathy or clarity?

Do you think it's better to be courageous or tenacious?

Do you think it's better to be patient or confident?

Do you think it's better to be forgiving or entertaining?

Do you think it's better to be hard-working or good at shirking?

Do you think it's better to be creative or quantitative?

Do you think it's better to be wealthy or healthy?
