

## KIDS' PARTY KIT

# HOW TO

NO HUNGOVER MAGICIAN FOR YOUR KIDS' BASH!  
ENJOY A UNIQUE, TEAR-FREE ACTIVITY FOR ALL AGES.

---

01

### FLOWER DELIVERY AND PREP:

- GET THE OFFSPRING INVOLVED IN PREP! GIVE EACH STEM A FRESH CUT AND PLACE EVERYTHING IN WATER ASAP TO HYDRATE.
  - LEAVE ALL WRAPPING ON FOR 1 HOUR WHILE YOUR FLOWERS CHUGALUG TO PREVENT DROOPING, THEN REMOVE.
  - AVOID OVERCROWDING THE FLOWERS SO THEY HAVE ENOUGH ELBOW ROOM TO OPEN.
- 

02

### PREP DESIGN SPACE:

- DESIGNATE A LARGE TABLE FOR ALL THE SUGARED UP GUESTS TO CREATE.
- SET OUT VASES WITH WATER AND PLACE FLORAL SNIPS AT EACH WORKSTATION.

PRO TIP: COVER THE TABLE WITH BUTCHER PAPER. MAKE RULER MARKS AT EACH STATION SO THE KIDS CAN USE IT AS A GUIDE FOR CUTTING STEM LENGTH. (OR JUST USE IT AS SOMETHING TO DRAW ON. ADHD IS REAL.)

---

03

### DESIGN TIME:

- HAVE A SAMPLE ARRANGEMENT FOR KIDS TO LOOK AT AS A GUIDE OR BUILD AN ARRANGEMENT WITH THEM. ENCOURAGE THE KIDS TO LAY THE FLOWERS ON THE TABLE TO CUT EACH STEM.
  - KEEP IT LIGHT AND BREEZY - KIDS ARE NATURALLY CREATIVE!
  - IF YOU'RE COOL WITH A LITTLE EXTRA MESS, INVITE THE KIDS TO PAINT A PICTURE OF THEIR FLOWER ARRANGEMENT AT THE END. THEY WILL BE SO STINKIN' PROUD!
- 

04

### THE BEST GROWNUP EVER AWARD GOES TO...

TOM HANKS AND YOU FOR THROWING THE COOLEST, MOST UNIQUE KIDS' PARTY! BE PREPARED FOR ALL THE PARENTS TO STEAL YOUR IDEA.
