

CENTERPIECE WORKSHOP KIT

HOW TO

LEADING THIS BREEZY WORKSHOP MAKES YOU LOOK EFFORTLESSLY COOL EVEN IF YOU'RE STRESS-LAMINATING THESE INSTRUCTIONS.

01 FLOWER DELIVERY AND PREP

- OFFER YOUR FLOWERS A DRINK UPON ARRIVAL LIKE A GOOD HOST! GIVE EACH STEM A FRESH CUT AND PLACE EVERYTHING IN WATER ASAP TO HYDRATE.
 - LEAVE ALL WRAPPING ON FOR 1 HOUR WHILE YOUR FLOWERS CHUGALUG TO PREVENT DROOPING, THEN REMOVE.
 - AVOID OVERCROWDING THE FLOWERS SO THEY HAVE ENOUGH ELBOW ROOM TO OPEN.
-

02 SET UP YOUR WORKSPACE:

- DESIGNATE SEVERAL LARGE TABLES FOR ALL THE DESIGN FUN. ERR ON THE SIDE OF GIVING EVERYONE TOO MUCH SPACE, LIKE AN AWKWARD MIDDLE SCHOOL SLOW DANCE.
 - ORGANIZE YOUR BLOOMS/PRINT YOUR RECIPES SO TAMMY DOESN'T TAKE ALL THE RANUNCULUS.
 - FILL EACH VASE WITH WATER AND PLACE THE VASE MECHANICS.
 - PULL UP A FEW OF OUR TUTORIALS SO THEY ARE READY TO REFERENCE.
 - MAKE SURE EVERYONE HAS THEIR OWN PAIR OF FLORAL SNIPS VS HAND-CRAMPY SCISSORS.
-

03 DESIGN TIME:

- HAVE A SAMPLE ARRANGEMENT READY TO GO SO YOUR GUESTS HAVE A MUSE.
- LEAD YOUR GUESTS THROUGH THE DESIGN PROCESS STEP BY STEP, OR LET 'EM GET WEIRD WITH IT.
- HAVE A TRASHCAN NEARBY TO CATCH THE STEM CUTTINGS PLUS TOWELS FOR ANY WATER SPILLAGE!

EXTRA CREDIT: GET YOUR WORKSHOP IN THE ZONE BY PLAYING SOME DEEP TRACKS FROM YOUR GUESTS' ERA. (ENDLESS ENYA AND ENIGMA, PLEASE.)

04 YOU HAVE GROUPIES NOW

- HAVE TAKE-HOME BOXES READY FOR GUESTS TO TRANSPORT THEIR FLOWER CREATIONS.
 - ASK FOR A 5-STAR REVIEW ON YELP AND EXPECT TO BE EVERYBODY'S FAVE HOST.
-
