WARRANTY: Any liability, expressed or implied, is limited to the purchase price of this product.

CAUTION: Keep out of reach of children & animals. Harmful if swallowed.

STORAGE: Store in a cool, dry place.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

TRANSPLANTING: Add to planting hole 1 – 2 tablespoons directly around plant roots, backfill with soil and water plant. Mycorrhizal Inoculant **must** make contact with plant root system.

AMENDING WITH SOIL: Mix 1 pound per 4 cu. ft. of soil or coco. After amending and before planting, be sure to add an additional 1 – 2 tablespoons per plant site to ensure root contact. Water plant.

CONTAINERS:

1 – 3 gallon container: 1 – 2 tablespoons
5 – 7 gallon container: 4 – 6 tablespoons
10 – 20 gallon container: ½ cup
25 – 50 gallon container: 1 cup
100 gallon container: 2 cups

EXISTING PLANTS: Make holes 2 – 4 inches deep and 6 inches apart. Add 1 – 2 teaspoons to holes, backfill and water.

Net Wt: 1 lb / .454 Kg
Expiration Date: See date on Seal
