

# DRINKS

WEST, founded in 2006 by Bavarian-born Petra Wetzel, is the only brewery in the UK to officially adhere to the Reinheitsgebot, the German Purity Law of 1516.

Our award-winning beers are brewed on site merging centuries of traditional practice with state-of-the-art equipment.

The law states we can only use four ingredients when making any of our beers; water, malt, hops and yeast. We don't add any chemicals, preservatives or flavouring agents and we don't filter our beer through anything nasty either.

All of our beers are vegan friendly.

Our German roots are firmly planted in Glasgow and our company ethos can best be summed up as 'Glaswegian Heart. German Head.'

Our team are here to make your visit enjoyable and informative so if you are not sure, please ask for help, advice and even a taste of something new.

Keep an eye out for limited edition and seasonal beers. If you find a favourite, you can buy some to take away on the day.

Prost!

# half & half

---

In order to bring you the ultimate experience of Glaswegian Heart & German Head, we have partnered with local independent whisky bottlers Douglas Laing to bring you the WEST half & half, showcasing our award winning beers alongside our favourite Douglas Laing award winning remarkable region malts. All served as a half pint of beer, alongside 25ml malt.

## **St Mungo x Timorous Beastie**

7.25

St Mungo's crafted balance of maltiness & bitterness is screaming to be paired with the big vanilla note of Timorous Beastie - and allows both to shine side by side.

Douglas Laing's Timorous Beastie is most certainly not for the faint hearted! This non-coloured, no-chill-filtered small batch bottling is a marriage of Highland malts from amongst others, Glen Garioch, Dalmore & Glengoyne distilleries.

## **Munich Red x Scallywag**

7.25

Munich Red & Scallywag work well to accentuate each other. The toasty & sweet caramel biscuit of Munich Red matches the stewed dark fruit & chocolate decadence of Scallywag.

Scallywag is matured predominantly in Spanish sherry casks & includes malts from Mortlach, MacAllan & Glenrothes. This small batch bottling enjoys a distinct rich, natural colour.

## **Heidi-Weisse x The Epicurean**

7.25

The most surprising pairing of the bunch - Heidi-Weisse's notes of banana & clove amplify the sweet citrusy notes of Epicurean, creating a sherbet like effect on the palette.

The Epicurean is a marriage of the best that the east & west of Scotland have to offer. Proudly without colouring or chill-filtration, he's zesty, fruity, fresh, vibrant & ever the life & soul of the party.
