# FAQS

## COSTS

**How much is the deposit, when is it due and is it refundable?**

The deposit required is the room hire fee, which is due when you wish to secure a date. This is not included in the minimum spend and is non-refundable. Terms on this can be found in your wedding contract.

**What does the room hire cover?**

The room hire secures your private space during the hours detailed in your contract. It also includes your own designated staff and use of our linen, cutlery, crockery, microphone, PA system, candelabras and rustic display barrels.

**What is the VAT and service charge?**

All of our prices are inclusive of VAT, so there are no surprise add ons when you receive your final invoice. The service charge is 10% of the catering costs only, meaning you do not pay this on the room hire. Every penny of the service charge goes to the team working on the day. This is not included in your minimum spend.

None, we only allow one wedding per day to be booked at our venue. Please note, other events may take place in other spaces on your big day.

**Are children allowed at WEST?**

Yes, under 18s are welcome, but we ask that they are supervised at all times.

**How long will we have use of the venue?**

For full day weddings, you'll have the venue from 9am until last orders at 12.30am. For evening receptions, you'll have the space from 6pm.

## FACILITIES

**Is there a wedding suite?**

Yes, this is included in the hire of the Courtyard. The space is fully furnished with sofas & a private en-suite.

**Is there free parking on site?**

Yes, you can park in the car park on Craignestock Place for free for up to 18 hours. Please register your car with our team on arrival. We do not own the car park & therefore cannot control the restrictions.

**Is there a sound system?**

Yes, both spaces have a projector, sound system and screen. The Courtyard has a microphone and sound limiter. We recommend that any live entertainment provider you book brings their own PA.
