## **ABOUT US**

It started with a desire to produce designer, quality building products at exceptional value.

As local experts in the construction industry, we understand the challenges that come with tight timeframes, compliance and budgets. Our own frustration led us to develop our own collection of luxury building products tailored for the Australian market.

Our direct delivery approach to builders, property developers, architects, and homeowners sets us apart, allowing us to offer unrivalled design, quality at an affordable price point.

Experience the timeless design and value of Belluxe Australia.

## HOW WE CAN HELP YOU

**Quality:** Belluxe Prioritises luxury and quality architectural building products, ensuring all products meet exceptional standards.

**Inclusivity:** Belluxe offers inclusive pricing, creating great value with premium building materials accessible to builders, developers, and homeowners.

**Value Engineering:** Belluxe is committed to providing value engineering services, offering comparable items for competitive prices to meet customers' budget requirement without compromising style or quality.

**Design Excellence:** Belluxe emphasises great design by offering curated Bathroom Packages created by an interior designer, enabling customers to achieve a designer bathroom renovation effortlessly. Also we offer supply and install services for custom cabinetry and natural stone at a very competitive price.

**Comprehensive Range:** Belluxe supplies a comprehensive range of building materials, with the ability to source almost any product which is not part of our core range for larger projects.
