You will be guided through each course which can be served from the set-designed and styled table by our regency-dressed white-gloved staff or guests can help themselves to the sumptuous buffet display.

Add a touch of Regency Camp to Any Event

The Bridgerton Ball Dessert Table

Like our Bridgerton Afternoon Tea pays homage to the Regency era our Bridgerton Ball Dessert Table is Lush, lavish, and loaded with every dashing and dazzling dessert you can think of and served with opulent champagne tower as your guests arrive an array of cocktails even Lady Whistledown would be proud of. This set-designed and styled dessert table is served by our regency-dressed white-gloved staff who are on hand to talk you through our Bridgerton-inspired dessert selection which includes

Queen Charlotte's Macaron Tower Selection, Strawberry Meringue Tarts, lady whistle-downs Caramel and Chocolate Tarts, a selection of Bridgerton Ganache Brownies, Domes of Pistachio and White Chocolate choux buns, the Duke's Lemon Gin and Elderflower Madeline's, Truffle Filled Pastel Filled Kisses, Lemon and Raspberry Cheesecakes, Bridgerton's Family Celebration Cakes, Lady Violets Bundt Cake and hand made gilt gift box of Queen Charlottes Truffles for each guest.

COCKTAIL MENU

WHISTLEDOWN ICE TEA PUNCH

A fashionable arrangement of exotic hibiscus blossoms with a mélange of citrus tea and gins, mixed with pineapple a pleasing refreshment to sip while indulging in the latest gossip.

THE DARING DUKE

A dashing blend of gin, elderflower liqueur, and lemon juice with a cloud of citrus smoke. Sip like a royal and enjoy this decadent cocktail packed with scandal and remorse

FEATHERINGTON'S BLOOD ORANGE & PASSION MIMOSA

To go with their quest for a suitor, the Featherington sisters require a delightful refreshment in the form of champagne, blood orange and passionfruit liqueur But will this be enough sustenance to fill a dance card? One can only speculate.

HELL HATH NO FURY

like a woman scorned and that includes Bridgerton family matriarch Violet Bridgerton. This vodka. lime soda and ginger liqueur fizzy libation is a refreshing summer drink, but when stirred or agitated it turns purple Violet, sip sit back, and watch as fury descends on Ton

Like the show these cocktails will be a hit, so much so, that you may be tempted to go in for fourths or fifths. Do remember to drink in moderation causing yourself some societal embarrassment and before you know it you'll be the talk of the ton, and not in a good way, especially if voracious gossipmonger Lady Wistledown gets to hear about it first
