OUR DEDICATED CELEBRATION OF LIFE EVENT SERVICE

Our dedicated team at Wonderful Life Catering understands that it can be a daunting task to organise a wake or celebration of a life event, we are here to help you honor the memory and life of your loved one.

We work with you all the way to make planning your celebration of life event a simple task. If necessary, we are more than happy to work with you and your funeral directors so we can give you back precious time to spend with your family.

We have helped 300 families celebrate the life of a loved one with our thoughtful and respectful range of services, designed to help create a truly memorable event. Our Wonderful Life Recipe helps us create a one-off recipe and bake based on a questionnaire about your loved one's life and your celebration bake is served at the wake.

It has brought joy to many, the trigger of near-forgotten memories, funny stories, or shared moments in time. The recipe is given to your family so they can make it whenever they want. Free Hire Service can save you up to 600 pounds in hire charges. We keep an extensive stock so you can borrow it for the day and we only charge just over a pound per guest to cover collection and washing,

We will always go the extra mile or four for our clients and this is delivered by a highly skilled team who are driven by our social purpose, have a passion for the service we provide, the experiences we create, the food we serve, and it's this unwavering dedication has helped us become the purpose driven caterer of the year and the highest rated service provider on bark and most loved recommended specialist caterers in London

Our dedicated team has been hired not only for their skills but for their social awareness and emotional intelligence for all our catered events we provide the service staff and includes quality crockery, buffet display, glassware, tableware, clear down and we even take the rubbish away and if we are in your home we will leave it spotlessly clean you would never know we were there, Our food is made using the finest local, sustainable ingredients prepared by experienced chefs that are passionate about food all our staff is DBS Checked and we carry 5 million of public liability and professional indemnity insurance giving you that extra piece of mind. Please feel free to contact us up to 11 pm 7 days a week if you have any questions or would like to discuss your requirements.

WHAT MAKES US UNIQUE

PURPOSE

- We are the only purpose-driven specialist caterers in the UK to give 15% of our revenue to help create a hunger-free world.
- We monitor our impact so we see each week the difference we make
- We donate cash, food, equipment, and free baking programs to food charities
- We give 15% rebate when we work with charities that hire us in lieu of donating to another charity of us are taking money from one charity to give to another

PEOPLE

- We care about others and offer freshly baked grants to help those looking to start their purpose-driven food businesses.
- All our staff a min of 15 per hour to ensure they can afford to put food on their table
- Any member of staff can apply to be the CEO of any of our companies and they will be given 75% ownership

PLANET

- Ethical Supply Chain: We audit our supply chain and only work with companies that pay their staff the minimum wage and prioritize diversity, inclusion, and ethical treatment.
- We refuse to work with companies like Coke, uber, Deliveroo, Everi,, yodel
- We are committed to our NET ZERO journey and use Climate Essentials to guide us through the process.
- We have a zero-waste food policy and offer doggie boxes to our guests to nibble on the way home.
