CULT VISION X CULTURE MILE: 'FUELLING THE CREATIVE RENEWAL'

Culture Mile and Cult Vision present an in-store exhibition of newly commissioned artwork included in the Culture & Commerce: **'Fuelling the Creative Renewal'** Report.

Chaired by the Lord Mayor in partnership with the City of London Corporation and Culture Mile, the new **Culture and Commerce Taskforce** assembles leading figures from across the capital to address the current massive challenges faced by the cultural and creative industries in the City, and London more widely, through better connecting the cultural and commercial sectors.

The Culture and Commerce Taskforce believes that by coming together, culture and commerce can develop new ways of collaborating, to build a renewed creative sector that drives economic growth and supports competitive advantage for the City and London.

In order to celebrate the value, resilience and vibrancy of the creative industries, as well as supporting those artists who work within them, the Culture & Commerce Taskforce commissioned eight new artworks which have been threaded throughout the Culture & Commerce: **'Fuelling Creative Renewal'** report. The artworks and artists have responded in a great way to some of the themes contained within the report.

The 8 pieces of commissioned artwork will be showcased as a window installation at Cult Vision in Clerkenwell, read the [summary](#) or [full report](#) to learn more about the artists!
