*CHECK EM' OUT!*

### **TOP CONTENDER**

Take aim at a variety of giant colourful targets in this game of precision and control

### **TOP PRESSURE**

Golf meets darts in this strategic game of accuracy. Rack up and climb through the levels as you make shots in every section of either the yellow or green target

### **BASEBALL PITCHING**

Take the mound against a team of sluggers looking to destroy your every pitch. Just don't let them take you deep because you only have 9 pitches and the game is on the line

### CARNIVAL CLASSIC

Test your throwing skills in classic carnival style games. Throw a baseball to destroy as many plates, balloons, or bottles as you can in these fast-paced games of accuracy

### HOCKEY SHOTS

No need to lace up your skates in this ice rink. Grab a street hockey ball and stick and take aim at various targets in the net. You get 8 shots, so make them count!

### JEWEL JAM

In our take on the classic match-three style game, a little precision and a lot of luck could start a chain reaction that sends you to the top of the leaderboard.

### QUARTERBACK CHALLENGE

Drive down the field against a tough defense looking to stop you from scoring a game-winning touchdown. Your wide receivers are counting on you being a very accurate quarterback

### SOCCER

The goal is simple: You get 5 kicks to get the ball past the All-star keeper and find the back of the net

### ZOMBIE DODGEBALL

Prevent zombies from reaching the fence by hitting them with dodge balls until time runs out
