# BYO ALCOHOL POLICY

## INTRODUCTION

The Club at Parkwood Village currently operates under two Liquor licenses. A commercial special facility license for the Golf course and a commercial hotel license for the rest of the club. There are specific conditions in these licenses which restrict both BYO alcohol and who can pour alcohol whilst within the licensed premises. This document outlines our Policy around BYO alcohol for corporate golf days.

## BYO ALCOHOL

As per our liquor licenses we are unable to allow BYO alcohol onto the property.

For hole sponsors and corporate golf day hosts wanting to supply alcohol at their event, all alcohol must be purchased directly through The Club at Parkwood Village. We do offer Retail rates for this purpose. Sponsors and hosts must request a quote in writing no less than 14 days prior to the event start date.

All alcohol requested must be paid for in full prior to the event. Any remaining and unopened alcohol can be taken off premises by the sponsors or client. It must not be consumed in the function room or on site.

## RSA

Any person serving alcohol at The Club at Parkwood Village must hold a current Queensland RSA (a responsible service of alcohol certificate). A copy of the certificate must be sent to the Club at least 24 hours before the event start date.

Further to this any person serving alcohol must attend an induction, on site, on the day of the event. This induction will be at the direction of the approved manager and discuss the company's RAMP and house policy.

The host of the Corporate Golf day must also hire an RSA Marshall for the duration of the golf portion of the event. This will be charged at \$30 per hour Monday – Saturday and \$40 per hour on Sunday's. The RSA Marshall will be a staff member of the Club at Parkwood Village and will monitor the service of alcohol by sponsors on course during the event.

Alcohol will not be delivered to sponsors unless the above has been completed.

## SPECIAL CONDITIONS

Alcohol served by sponsor holes on the day can only be for the purpose of “sampling” and can be no more than one drink per person.

As part of our House policy, **we do not allow shots at any time, anywhere on the property.**

So, beverages purchased for sampling can only be Beer, wine, premix RTD's, cider or similar.

Our licensed hours are 10am – 12am Monday – Friday and 9am – 12am Saturday and Sunday. Outside of these times there is to be no service of alcohol. For golf days with a morning start, pre purchased alcohol will not be delivered to the sponsors hole until the set start time of our liquor license for that day.

As per our liquor license, we cannot serve alcohol to anyone under the age of 18, disorderly or unduly intoxicated.

Any sponsor who does not comply with this document or with any RSA rules will have the service of alcohol shut down immediately on their hole.

For further information please contact the corporate golf sales team.
