

# Deluxe Blower Cart Showbox Instructions

## To remove the showbox from the cart:

1. Loosen the knobs located on the back of the showbox, and slide the bracket all the way down. **(Image A)**
2. Lift the showbox off the cart.

## To attach the showbox to the cart:

1. Ensuring the knobs are in the bottom two holes on the back of your showbox, loosen the knobs and slide bracket all the way down.
2. Hang the showbox on your cart.
3. Slide the bracket up so that the lip is against the middle bar of your cart, and secure it into place by tightening the knobs. **(Image B)**

## To attach the showbox to another surface:

1. Remove the knobs and bracket from the back of the showbox.
2. Hang the showbox on a fence or another surface of your choice.
3. Three holes of varying heights are located on the back of the box. Hook your bracket onto the bottom of the fence or other surface, and tighten into place using one or two knobs. **(Image C)**
