PRODUCT DETAILS:

- The solid side light acts as a downward facing spotlight casting light in only one direction.
- Available with eased or drawknife corner detail.
- Pending UL certification.
- Suitable for use in damp environments without the top cap and wet environments with the top cap.
- Bandsawn finish lamps are sawn to dimension by bandsaw which leaves a textured finish. Great for customers who want a classic look.
- Smooth finish lamps are sanded to a consistent texture, very smooth to the touch. Great for customers who want a near perfect finish.
- Dark Sky compliant with a top cap.
