LAMP 262

Lamp 262 is our most iconic lighting bollard featuring the most elegant details. The clever design allows this downward facing bollard to omit ambient lighting onto your walkways while accentuating the unique angles in this Western Red Cedar bollard. Elevate your space by adding light and sophistication to your next project.

PRODUCT DETAILS:

- Emits light at a downward angle in one direction.
- Available with eased or drawknife corner detail.
- UL certified to Standard 1598.
- Suitable for use in wet environments.
- Bollard is mounted to a metal base secured into concrete.
- Bandsawn finish lamps are sawn to dimension by bandsaw which leaves a textured finish. Great for customers who want a classic look.
- Smooth finish lamps are sanded to a consistent texture, very smooth to the touch. Great for customers who want a near perfect finish.
- Dark Sky compliant.
