PRODUCT DETAILS:

- Can function with or without decorative cap to meet customer's needs.
- Available with eased or drawknife corner detail.
- UL certified to Standard 1598.
- Suitable for use in wet environments.
- Bandsawn finish lamps are sawn to dimension by bandsaw which leaves a textured finish. Great for customers who want a classic look.
- Smooth finish lamps are sanded to a consistent texture, very smooth to the touch. Great for customers who want a near perfect finish.

SANDPOINT COLLECTION

LAMP 282 – 11”

Lamp 282 creates dynamic ambient lighting through its unique grooved design. This wall sconce diffuses light through three frosted acrylic panels, bringing vibrancy to your space. Constructed from top-quality Western Red Cedar, this piece enhances both residential and commercial environments, suitable for both outdoor and indoor use.
