PRODUCT DETAILS:

- Can function with or without decorative cap to meet customer's needs.
- Available with eased or drawknife corner detail.
- UL certified to Standard 1598.
- Suitable for use in wet environments.
- Bandsawn finish lamps are sawn to dimension by bandsaw which leaves a textured finish. Great for customers who want a classic look.
- Smooth finish lamps are sanded to a consistent texture, very smooth to the touch. Great for customers who want a near perfect finish.

SANDPOINT COLLECTION

LAMP 282 - 16"

Lamp 282 provides dynamic ambient lighting through its unique grooved design. This wall sconce diffuses light through three frosted acrylic panels, bringing life to your space. Constructed from top quality Western Red Cedar, this piece enhances both residential and commercial environments and can be used either outdoors or indoors. The 16" model best fits customers looking to show the tall profile of the lamp.
