Side Elevation

PRODUCT DETAILS:

- Available with eased or drawknife corner detail.
- UL certified to Standard 1598.
- Suitable for use in wet environments.
- Bandsawn finish lamps are sawn to dimension by bandsaw which leaves a textured finish. Great for customers who want a classic look.
- Smooth finish lamps are sanded to a consistent texture, very smooth to the touch. Great for customers who want a near perfect finish.

SANDPOINT COLLECTION

LAMP 282MM - 16"

Lamp 282MM - 16" provides dynamic ambient lighting with its unique grooved design as a middle-mounted wall sconce. Light diffuses through three frosted acrylic panels, infusing life into your space. Crafted from the highest quality Western Red Cedar, this piece elevates residential and commercial settings, suitable for both indoor and outdoor applications.
