

Front Elevation

Side Elevation

PRODUCT DETAILS:

- Emits light equally in all directions.
- Available with eased or drawknife corner detail.
- Pending UL certification.
- Suitable for use in wet environments.
- Bandsawn finish lamps are sawn to dimension by bandsaw which leaves a textured finish. Great for customers who want a classic look.
- Smooth finish lamps are sanded to a consistent texture, very smooth to the touch. Great for customers who want a near perfect finish.

CLARK FORK COLLECTION

LAMP 324

Lamp 324 is a beautifully crafted bollard made from the highest quality Western Red Cedar. Featuring a cross that bisects the lamp on two sides, this lamp showcases a unique design that elegantly diffuses light through four frosted windows. Built to endure different weather conditions, Lamp 324 is an ideal choice for enhancing outdoor walkways or landscapes with both durability and visual appeal. The tall profile is great for showing off the craftsmanship of the bollard.
