

SANDPOINT COLLECTION

LAMP 283

Lamp 284 is a classically designed landscape light which provides 360 lighting to your landscape or walkways. Complete with a unique grooved design, light diffuses through four frosted windows on either side, creating a dynamic ambience to your space. Handcrafted from top quality Western Red Cedar, Lamp 284 is made to last in all weather conditions. The short profile works best to blend into the scenery surrounding the bollard.

PRODUCT DETAILS:

- Emits light outward in all four directions.
- Available with eased or drawknife corner detail.
- Pending UL certification.
- Suitable for use in wet environments.
- Bollard is mounted to a metal base secured into concrete.
- Bandsawn finish lamps are sawn to dimension by bandsaw which leaves a textured finish. Great for customers who want a classic look.
- Smooth finish lamps are sanded to a consistent texture, very smooth to the touch. Great for customers who want a near perfect finish.
