Ravine Collection
440 Flush Mount 7.5"

The Ravine Collection was developed in collaboration with Post Company, a design studio operating across hospitality, retail and residential environments.

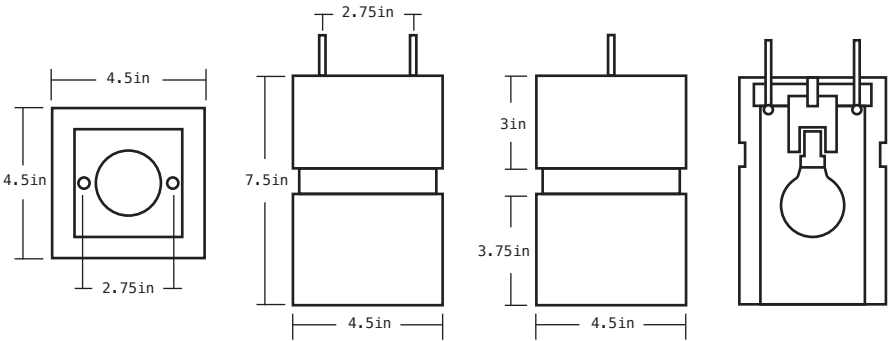

The 440 series is a flush mount fixture with a candelabra base socket and Tala warm white LED bulb. Available in three material and finish combination options, including western red cedar with natural timber oil, Douglas fir with natural timber oil, and Douglas fir with yakisugi, a technique that involves burning the wood to enhance its durability. The Overall dimensions are 4.5" x 4.5" with heights of 5", 7.5" and 10".
