all packages INCLUDE

- 90 minute initial consultation
- Actionable, personalized training plans
- Three months of email follow-up / support
- Video recorded sessions
- Additional resources

least intrusive, minimally aversive

Packages

- Bright Beginnings
- Pawsitive Transformation
- Homeschool Hounds

Non-Package Services

- Smart Start Consultation
- Harmony Unleashed

**Non Package Services do not include package benefits*

“Do Better Training uses a LIMA approach to dog training and behavior modification plans and does not condone the use of punishment in lieu of other, more effective and humane strategies.”

When we know better, we do better.

What service is right for me and my dog?

“We just got a new puppy and we’re thinking about training options.”

Bright Beginnings Package

The Bright Beginnings package is perfect for those entering the world of dog training.

Smart Start Consultation

Try in home training without the commitment with the Smart Start Consultation.

“I don’t have time to work with a trainer but my dog does ___”

Homeschool Hounds Package

Designed for busy professions, let us do all the work for you with homeschool hounds!

Harmony Unleashed: Learning Walks

Refine leash manners and reduce mild leash reactivity.

“Our dog guards his favorite person”

“My dog gets snippy with strangers”

“Our dog jumps on guests”

Pawsitive Transformation

Some issues take a bit longer to sort out, longer term plans for more serious issues

Still need help deciding? Contact Dr. Andy and we’ll help find the right training plan for you and your furry companion!

Immediate, Actionable Plan for your Dog

We understand there may be some issues that need to be addressed on day one. After the behavioral consultation Dr. Andy puts together a customized plan for your dog that includes management strategies to start addressing behavioral issues right away.

Perfect for Those Looking to Try an In-Home Trainer

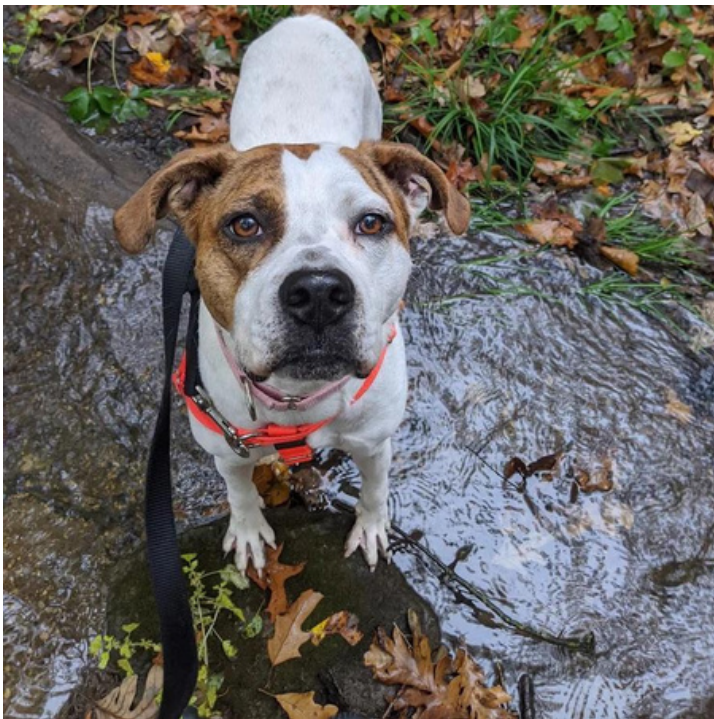

The Smart Start Consult is a great way to step into professional training without having committing to a long term program.

HARMONY UNLEASHED

Learning walks

- 🕒 **60 Minute** In-Home Consultation
- 📅 5 - 60 Minute Guided Walks
- ✓ Reduce Mild Reactivity
- ✓ Improve Leash Manners

Meaningful Exercise & Enrichment

Meaningful exercise and enrichment play crucial roles in maintaining the overall well-being of dogs. Beyond the physical benefits, regular, purposeful activities engage a dog's mind and instincts, preventing boredom and potential behavior problems.

\$550

5 Hours of Leash Training

Harmony Unleashed Learning Walks are designed for those who otherwise have the perfect companion if they'd just behave on walks!

- Promote Focus
- Increase Engagement
- Develop Positive Leash Skills

Reduce Mild Leash Reactivity

Help build focus and promote calm behaviors in the face of common triggers. Do Better trainers work with your dog to increase engagement, build confidence and develop strategies to navigate your dog away from stressful situations

**5x 60
Minute
Learning Walks**
