

PICO

ARM CHAIR™

Open travel bag by releasing buckles on sides of bag. Remove PICO Arm Chair™ from its carry bag.

Place foot on both bottom legs to hold chair firmly on ground.

Lift straight upward to extend chair legs from the telescoped position.

Rotate each armrest to an upright position as shown.

Place hands on SEAT FRAME as shown. Pull outward to open the chair legs.

Lift backrest up.

Place carry bag on backrest as shown.

Have a seat! The PICO Arm Chair™ is now ready for use.

Reverse set-up instructions.
