TALENT SEARCH

INFORMATION FOR STUDENTS

TRIO programs help students across the country get to college, succeed in college, graduate, and get an awesome career.

Talent Search is a TRIO program that has been helping middle and high school students like you achieve their college goals since 1965. Many athletes, politicians, and scientists got their start in a Talent Search program. Here's how Talent Search can help you achieve your dreams!

WHY JOIN TALENT SEARCH?

Talent Search is more than tutoring or advising. It is a community of learners that will assist and support you throughout your middle school and high school years.

Here are just some of the reasons you should join Talent Search.

Talent Search will help you get to college.

Talent Search can put you on the path to college by providing academic instruction and tutoring, helping with ACT/SAT preparation, assisting with college admissions and financial aid applications, and more.

Talent Search helps you make friends and find community. Succeeding in school and preparing for college is about more than going to class and studying. It's also about connecting with people and having a support system. In Talent Search, you're with students who understand your experiences—and teachers who are there to help and support you.

Talent Search teaches you skills you will use forever. In addition to learning academic skills that will help you succeed in your classes, you will also learn skills that will benefit you for the rest of your life, such as time management, organization, and money management.

Talent Search is fun! Participating in Talent Search means you get to enjoy social events, field trips, workshops, and recreational activities—all for free!
