UPWARD BOUND

INFORMATION FOR STUDENTS

TRIO programs help students across the country get to college, succeed in college, graduate, and get an awesome career.

Upward Bound is a TRIO program that has been helping high school students like you achieve their college goals since 1965. Many successful athletes, entertainers, politicians, and scientists got their start in an Upward Bound program. Here's how Upward Bound can help you achieve your dreams!

WHY JOIN UPWARD BOUND?

Upward Bound is more than tutoring or advising. It is a community of learners that will assist and support you throughout your high school years.

Here are just some of the reasons you should join Upward Bound.

Upward Bound will help you get to college.

Upward Bound can put you on the path to college by providing academic instruction and tutoring, helping with ACT/SAT preparation, assisting with college admissions and financial aid applications, and more.

Upward Bound helps you make friends and find community. Succeeding in high school and preparing for college is about more than going to class and studying. It's also about connecting with people and having a support system. In Upward Bound, you're with students who understand your experiences—and teachers who are there to help and support you.

Upward Bound teaches you skills you will use forever. In addition to learning academic skills that will help you succeed in your classes, you'll also learn skills that will benefit you for the rest of your life, such as time management, organization, and money management.

Upward Bound is fun! Participating in Upward Bound means you get to enjoy social events, field trips, and recreational activities—all for free!
